Now is the Time to Take a Look at Your Websites!!

This year we began redesigning and revamping some of our dealers' websites and they have received some very positive results thanks to two wonderful consultants. Tim Gorski and Darcy Knapp have been working hard creating new websites and optimizing them to ensure that we can drive more customers to our dealers. Many of our dealers who gave their websites a make-over have seen great increases in traffic and have received more calls than ever before.

We now have the ability to get a site up in 4 to 5 days, generate traffic and get customers. Our

Warranty Cards

It has come to our attention that some of our dealers have been experiencing issues with receiving copies of their warranty registrations after submitting warranty cards to our website. If you have submitted warranty cards online and are not receiving the registrations, please check your junk mail or spam folders. If you still do not see them in your emails, please contact Linda at 1-800-865-0495.

service providers offer low cost templates which include hosting and no annual fees. Check out a couple of the new sites completed by Darcy and Tim to see the changes that we have made:
