Title _____

Date _____

* This is a computer generated and/or faxed proof only. Final published ad will show variations in type, color, line art and/or photo screen quality because directories are printed on lighter weight, coarse paper with a high speed press and will look different from this proof. When creating the above ad, UtzCreative has made every effort for accuracy. It is, however, the sole responsibility of signatory above, and/or its representative(s), its client(s), or the company/person(s) who owns or is placing for publication the above ad, to check it for errors, omissions or mistakes of any kind before final approval for publication. Once this proof has been signed, UtzCreative shall no longer be liable for any costs or damages, consequential or otherwise, as a result of any mistake, omission, error or for any reason. Until UtzCreative has received a signed copy of this proof, it cannot and will not send for publication the above ad, in digital or camera ready form, to the signatory or publisher(s) and/or their client(s) or representative(s).
